From Fr. Terry

Today our nation celebrates the Fourth of July. It is on this day that we rejoice in our independence and the birth of our great nation. We remember all those who fought for and continue to fight for freedom. Let us pray for those serving in our armed services and let us pray for PEACE.

As Catholics, let us reflect on the use of our freedom. In terms of our quest for holiness, how do we exercise our freedom in regard to making choices? God gives us the freedom to choose either good or evil. The choice is ours.

In light of our free country, we must reflect on our use of freedom in terms of spreading the Good News. America offers an ideal place to spread the Good News of Jesus Christ by what we say and do. We cannot be afraid to exercise our freedom in regard to proclaiming the gospel. Jesus is counting on us! And if we see things counter to our faith, like abortion and the death penalty, we have the freedom to work for change. May God be with us in our choices and may God bless America.

Connie Christoff of GS recently bequeathed to GS Parish \$133,541.10. Among other ministries, Connie was the head of our Capital Campaign Committee. Due to her role on the committee, we have elected to place her bequest into our

Capital Campaign Fund. Furthermore, since Connie dreamed of us erecting a bell tower, we are planning to use a portion of her donation toward a new bell tower in her honor. Connie's bequest was extremely generous and is evidence of her great love for Jesus and GS Parish. May each of say a prayer for Connie and whisper a prayer to Connie thanking her for her love and kindness.

I am happy to report that St. John's Flea Market raised \$2,457.49. We thank those who donated items and we thank all of our amazing volunteers who worked so hard.

Tony Giordano, our Youth Minister, will be working part-time at St. Joseph Parish, Coraopolis, in charge of CCD, Sacramental Prep., and RCIA. Tony will still remain as our part-time Youth Minister.
